Tasting Notes:

The vibrant color of our 2008 Chardonnay denotes the elegance of the wine. A tempting nose of fresh citrus alerts the senses to crisp fruit flavors with just a hint of pear to smooth the edges.

This is a delicious, dry wine with pleasing structure and a zesty beam of mouthwatering acidity. Underlying mineral notes add complexity as it crosses the palate building to a clean, extended finish.

Now is the perfect time to discover why Heitz' Chardonnay has been a favorite of wine enthusiasts since 1961!
