2013 Zinfandel Ink Grade Vineyard

Tasting Notes

Perched high on the mountain, our Ink Grade Vineyard is uniquely suited to growing Zinfandel. A northeasterly exposure means a healthy dose of sunshine, but cooler average temperatures than the valley floor below. This makes for a knockout Zinfandel: powerful, yet refined.

Seductive aromas of black cherry, blueberry jam, and that classic dash of Zinfandel spice abound. Wonderfully delineated flavors of crushed cranberry and tangy clove bring the palate home with an elegant (and lingering) finish. Pairs perfectly with savory grilled meats and vegetables.
