

# Heitz Wine Cellars

## Ink Grade Vineyard Port

---

### Tasting Notes

The deep hue of our Ink Grade Port sets the tone for the rich, full-bodied wine to follow. Mouth-watering flavors of dark berry with notes of ripe plum delight the palate with an appealing sweetness that never careens over the top.

Our winemaker has created a smooth blend of eight Portuguese varietals with distinctive character from the 2004, 2005 and 2006 vintages --- a marvelous dessert for grownups.

The Wall Street Journal enthusiastically agrees in its October 2009 article titled *Giving Sweets a Chance*, "*If you ever see Heitz Cellars' Ink Grade Port . . . grab it!*"
