"...Given time in the barrel and the bottle, it shows its graceful edges and nuanced elegance with ease, finishing in dusty crushed rock. It vastly over delivers on its price point."

– Virginie Boone,
Wine Enthusiast

The Napa Valley Cabernet Sauvignon is sourced mainly from our two vineyards in St. Helena: the Only One Vineyard and the Spring Valley Vineyard. While this wine can age for decades, it is intended to be an exceptional entry point into the classic Heitz style and hints at what can be experienced with our single vineyard wines. To craft a wine that can be enjoyed upon release, we farm these blocks to be harvested earlier in the year and age the wines in a very small percentage of new oak.

The 2015 Vintage was known for its unusually warm weather which led to reduced yields at harvest. Luckily those reduced yields resulted in impeccable quality of fruit. This vintage expresses great depth of flavor and intensity, which offers a truly memorable wine drinking experience right now and will continue to shine many years in the future.

The Palate expresses beautiful aromas of blackberry contrasted perfectly with spiced notes of nutmeg. There is a luscious weight and texture to the wine, but also a racy edge of well-balanced acidity on the palate. A powerful, yet elegant wine with wonderful aging potential. A true expression of the Heitz winemaking philosophy.

Varietal 100% Cabernet Sauvignon

Appellation All from our Certified Organic vineyards

Aging 4 years in the cellar aging in French oak vessels both old and new, ranging from 225L to 12,000L. Followed by 1 year in bottle.
